Global Challenges of the 21st Century

March 14, 2025

Osijek, Republic of Croatia

Dear all,

We invite you to **the International Scientific and Professional Conference *Global Challenges of the 21st Century*** organized by **the Rotary Club Osijek Academia**. Co-organizers are the Josip Juraj Strossmayer University in Osijek, the Faculty of Education, the Faculty of Medicine in Osijek, the Faculty of Agrobiotechnical Sciences Osijek, the Department of Chemistry of the Josip Juraj Strossmayer University in Osijek, the Faculty of Tourism and Rural Development in Požega, the Faculty of Food Technology Osijek, the Faculty of Civil Engineering and Architecture Osijek, the Faculty of Electrical Engineering, Computer Science and Information Technology Osijek, the Faculty of Philosophy, the University of Tuzla (Bosnia and Herzegovina), the Faculty of Teacher Education in Subotica (Serbia) and Iustinianus Primus Faculty Of Law (North Macedonia).

This interdisciplinary scientific and professional conference aims to foster dialogue from the perspectives of different sciences about the global challenges we are facing and that still await us in the 21st century. The conference will also have a humanitarian note, as an auction of artwork from our University will be organized as part of the conference, and the funds raised will be intended for students of lower socio-economic status.

Interested participants can apply to participate with a presentation (oral/poster) or without a presentation. The conference will be organized at the Faculty of Economics and Business in Osijek.
